

January 4th, 2011

The A&J Sharp Investments Financing Program is used by Ernie Ball/Music Man for various Canadian accounts with invoices totaling over \$2000.00.

A&J Sharp ensures that payment for the invoices arrive on time, and it saves me from calling to collect payment on these accounts. As a credit/collections manager, I would recommend using A&J Sharp as I have had nothing but a positive experience while using their services.

Regards,

A handwritten signature in blue ink that reads "Jessie Fleischman".
