

The GUITAR WORLD

6435 Erin Mills Pkwy, #18A - Mississauga, ON, L5N 4H4 – (905) 858.9918

To whom it may concern:

The Guitar World is about to celebrate it's 8th year in business. To say that we started humbly is an understatement; all we had back then was some new carpet, a can of white paint and a half dozen guitars on the wall ... oh, and just one employee – ME!

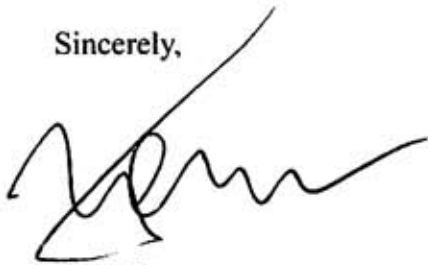

Today we have three locations, over 650 students and a whole lot of product.

The key to this success, without question, has been our ability to form strong relationships with some great people in our industry.

The financing program offered through **A&J Sharp Investments** has been an important component to the growth of our business. And their courteous and professional attitude make dealing with their company a pleasure.

I can comfortably go on-record and say that **The Guitar World** holds this relationship in high regard and is incredibly happy with **A&J Sharp Investments**.

Sincerely,
